

BIOLOGY OF DISEASE SYMPOSIUM FACT SHEET

(1) Conference location

All talks will be held in the Operon Conference Theatre on the ground floor of EMBL Signs with our symposium logo inside and outside of the EMBL building will help you to find it.

European Molecular Biology Laboratory
Meyerhofstrasse 1
69117 Heidelberg

(2) Registration/Info desk

When you arrive at the conference you should immediately register. This is required to receive your ID badge, which entitles you to meals and transport during the symposium and information about the symposium. In addition, you are only eligible for reimbursement if you register. The registration desk will be located in the Operon Foyer.

Tel: +49 (0)6221/387 8482 (Registration desk, extension 8482)

Tel: +49 (0)176/271 832 45 (Emergency mobile phone during the Symposium)

(3) Important Documents

For registration and reimbursement we need to see the **originals** but please also bring a **copy** of the following documents:

Your last degree certificate
I.D. (e.g. copy of passport, driving license).

(4) Reimbursement

******Keep all your receipts or printouts from your travel******

You will have to send these to us after the symposium. The deadline for this is **December 19th**. You will receive more information about this when you register.

Please note that you will be reimbursed for any public transport required during the symposium, but taxi fares will NOT be reimbursed.

(5) Hotel

The Hotel Vila Toscana is located in Hamburger Straße 4-8D - 69181 Heidelberg-Leimen. Please see the map below.

Tel: +49 - (0) 6224 - 82 92 - 900

www.hotel-villa-toscana.de

(6) Getting to EMBL on Thursday

Private bus going directly to the EMBL:

Depart: Hotel Villa Toscana at 10.10am and 12.10pm.

Public bus:

Take bus number 21 from Bismarckplatz, (final stop is Königstuhl) that goes up to the Max Planck Kernphysikalisches Institut. There will be someone waiting for you at 9.00am and at 10.00am to walk with you through the Max Planck Institute to the EMBL, as ID is required.

A one-way ticket is 2 Euro and can be bought from the driver when you get on the bus, or from a ticket machine at Bismarckplatz (which you then stamp when you get on the bus). N.B this ticket lasts for 90 mins so you can use the same ticket if you need to get the tram/bus to Bismarckplatz.

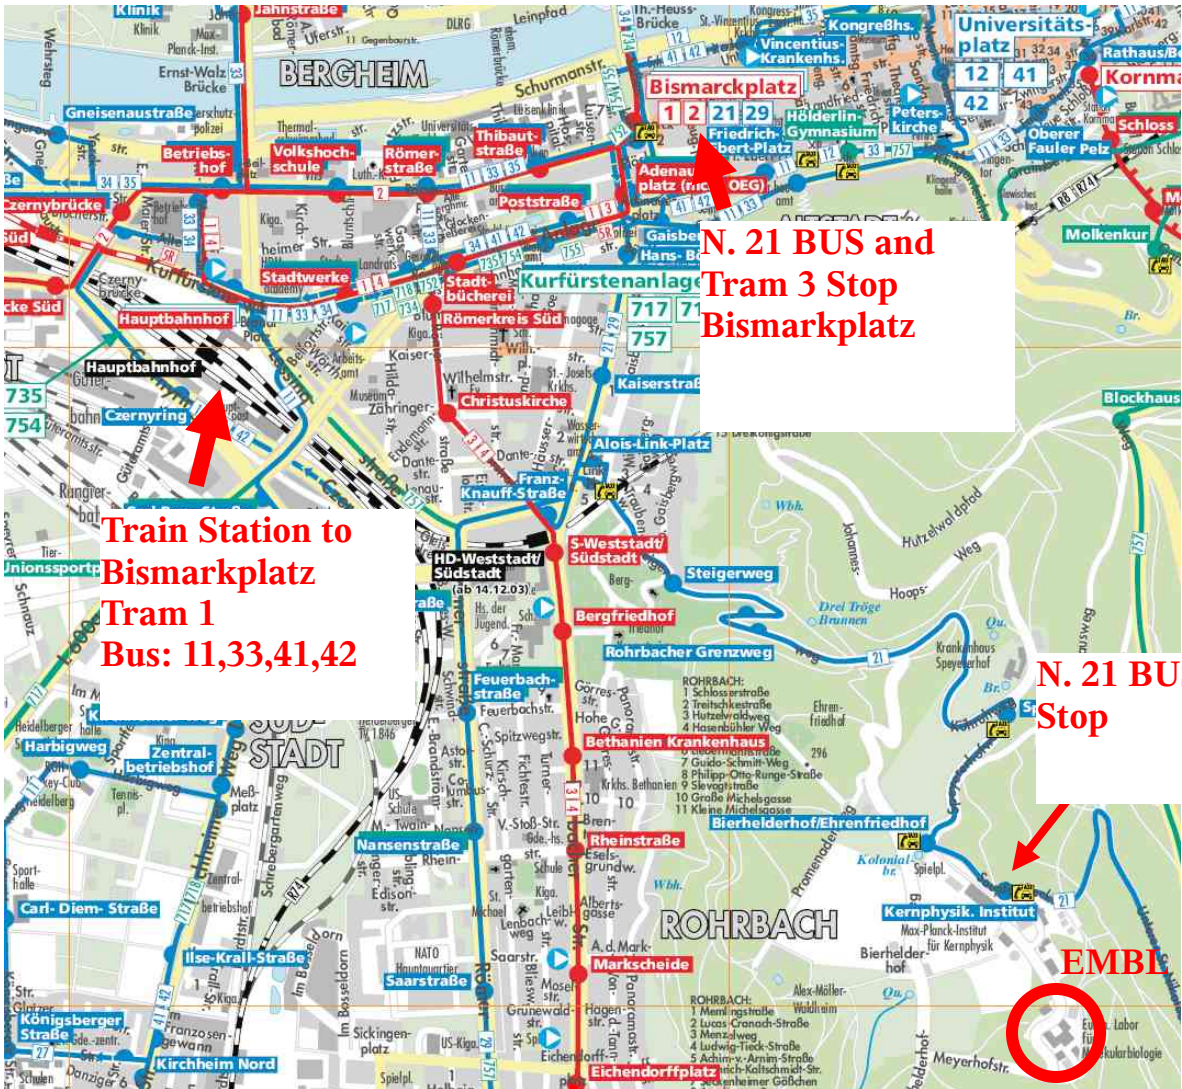

Timetable for Number 21 Bus:

Table with 17 columns representing departure times from 6:30 to 19:00. Rows list stops including Heidelberg Bismarckplatz, Hans-Böckler-Str., Kaiserstr., Alois-Link-Platz, Steigenweg, Rohrbacher Grenzweg, Speyererhof, Bierhelder Hof/Ehrenfriedhof, Kernphysikalisches Institut, Drei Eichen, Posseltslust, Alter Kohlhof, Kohlhof Fachklinik, Sternwarte, and Königstuhl.

(7) Public Lecture

If you are already in Heidelberg on Wednesday 30th November we warmly invite you to attend our Public Lecture.

Professor **Hans-Dieter Klenk** from the Institut fuer Virologie in Marburg will give a talk entitled:

"Viren zwischen Tier und Mensch - Interspezies transmission und Wirtsadaptation von Influenzaviren"

N.B. This talk will be held in German, however English handouts will be available.

The lecture will take place at 7.15pm at the "Kirchhoff-Institut für Physik".
All public transport tickets to and from the public lecture will be reimbursed.

Kirchhoff-Institut für Physik Hörsaal 1
Im Neuenheimer Feld 227
Heidelberg
